THE MAGNIFICENT COLOURS OF MUSIC

LIKE A CHILD  
LYRICS & NOTES

*Like a Child* is a song about coming of age, life transitions and discovery beyond childhood. This modern pop ballad explores a variety of styles and sounds, supporting a truly unique and blissful female vocal filled with sweet, lofty tones and emotional power far beyond what we might expect from a 16 year old! Inspired by a 1970's style ballad, *Like a Child* is a fresh new take on a classic sound.

We thank you for your support and we hope this brings you inspired listening and peaceful pleasure!

## LIKE A CHILD

Alexa (Piano, Vocals)

Lyrics:

Like a child, I, look out on the world, I, see chance in every day  
It seems so kind, so easy going out there, do I just want to see it that way?

How I was warmed and, kept from finding it all, in a place I can't go back to  
Out on my own now, I'm gonna stand tall, I've got to find my way through

And I don't want to know, how it ends  
But I can't get it out of my mind  
I try to escape all the lies and the hate,  
I'm floating awake, living in a dream

Ooooo....

Oh no, oh no, I don't want to waste my time I, spend my life stuck in a daydream  
I know, I know, I know, life ain't a fairytale but I still wish for happy endings

Like Cinderella's slipper, Prince Charming nearly missed her  
Belle is in the forest waiting for the Beast to kiss her  
Got my own tale, I'm gonna stand tall, just got to find my way through

And I don't want to know how it ends  
But I can't get it out of my mind  
I try to escape all the lies and the hate  
I'm floating awake, living in a dream...

Now I look through my cynical eyes, reality takes faith from me  
Wish I had a time machine so I, could go back to the way it used to be

I don't want to know how it ends  
But I can't get it out of my mind

I try to escape all the lies and the hate  
I'm floating awake

No I don't want to know how it ends  
But no matter how hard I try  
I just can't erase all the lies and the hate  
My only escape is floating in a dream  
Like a child.

Ooooo....
